General Election November 6, 2007

In preparation for the general election coming up, we've gathered some resources that you and your students might find helpful to discuss voting, the election process and civics.

"Community Connections - Education for Involved Communities" A Curriculum for EL/Civics education developed by the Adult Learning Resource Center, Des Plaines, IL. This great resource is composed of Lesson Plans, a Classroom Picture Set and a Flashcard Picture Set. Module 1 is all about the "Democratic Process" and may be requested through the Resource Center online Bodega at www.neable.org.
